

ELO

STUDENT FLOW

ELO Step-by-step Process

A student meets with their ELO coordinator to discuss their desired career goals.

Once a student has expressed interest in pursuing ELO as an option, the student can begin looking in the Awato platform for opportunities under the “Find opportunities” tab.

- *Opportunity is on the platform*
the employer has already been vetted and the opportunity has been approved.
- Work with student or VLACS to attach credit.
- *Opportunity is not on the platform*
Submit the following information at awato.co/ELO:
 - Counselor name
 - Counselor school
 - Student name or Initials
 - Credit Attached Verification
 - Career Goal Alignment Verification
 - Title of Opportunity
 - Opportunity start date
 - Business name
 - Business contact name
 - Business contact email
 - Business contact phone

Awato contacts the employer and works with them to perform DOL screening and approval before notifying ELO Coordinator that the opportunity is live.
